

Workshop and interactive project with Veronika Thurin
September 18, 2025
October 16 and 30, 2025
from 5:30 PM to 6:45 PM

The interactive project “*I Am Part of Beauty*” is organized and facilitated by Veronika Thurin. It offers participants the opportunity to work with clay in a process-oriented way. Inspired by the art-therapeutic method “*Integral Clay Design*” by Ursula Straub, the project invites a small group (maximum 8 participants) to freely create a “clay field.” The results are not fired but are photographed and documented.
